

Reach Up Reach Out in Adventure Class

Dear Parents and Carers,

Welcome back to Term 5 I hope you have all had a great holiday.

The term's topic focus for Adventure class is 'Journeys'. We will be covering the EYFS curriculum by exploring and finding about ways to travel, how to create our own vehicle...

What to bring

- Please provide a named bottle containing water daily (please do not put it in their bookbags) and a book bag.
- Book bag with the reading books and word bags every day.
- A bag with spare clothes (bottom half) in case of accidents. This can be left on their peg for the whole term.
- It is very important that your child brings a coat and suitable footwear to school. On wet, rainy days Wellington boots are advisable.

Please help the children to keep track of their own things by making sure that everything is clearly labelled.

Reading

Please hear your child read at home. This only needs to be a few minutes daily and is invaluable for helping them progress in their reading. They should also be encouraged to try to read things other than their school reading book. This could include, for example: road signs, other signs, recipe books, comics – anything that takes their interest.

P.E days are Tuesdays and Fridays and children will wear their kit on to school. Please, encourage your children to get change by themselves as this will help with their independence.

The class email address is adventureclass@nettlebed.oxon.sch.uk. This can be used to contact us about queries or pass on information.

Virginia Gonzalez

Literacy

Children will listen to a range of stories and rhymes. They will be encouraged to discuss settings, characters and the storyline.

In our Phonics sessions we will learn letters sounds and develop reading skills.

Maths

We will be looking at subitising numbers, counting, ordinality - cardinality and composition of numbers.

P.S.E.D.

We will be learning about rights and responsibilities and how we grow and we change.

Expressive Arts and Design

Children will be exploring different media to develop their drawing and painting skills.

For design and technology will create our own vehicle.

Exploring instruments, singing song and creating our own choreography.

Journeys

Term 5 2022

This term we will focus on Journeys and ways to travel.

There will be opportunities for the children to create their own vehicles in D&T among other special activities.

Understanding of the World

In this broad area of the curriculum we will be using different types of technology and exploring different materials.

Physical Development

We will be focused on playing rounders and team games.

A healthy life style will include diet, exercise and self-care skills.
