

<p style="text-align: center;">Theme of the term is Courage Year 4 This term's topic is The Victorians Please register with Twinkl to allow access to this week's on-line activities. Go to www.twinkl.co.uk/offer and use the offer code UKTWINKLHELPS.</p>		
<p>Date: Tuesday 2nd June 2020 Affirmation of the day: I am generous.</p>		
	Core and support	Extension
Maths	<p>Our learning objective today is to add two or more fractions. Please go to the White Rose website on: https://whiterosemaths.com/homelearning/year-4/ and look at week 6, lesson 1. The questions and answers were attached to the maths email.</p>	<p>You'll need ordered thinking and possibly counters or raisins to help you through this tricky problem. https://nrich.maths.org/peachestoday Have a go at Part 1 and see how you get on.</p>
SPAG	<p>We are looking at standard English this week. Although, when we talk we may use informal language and dialect or local sayings, when we write we should use formal or standard English. Have a look at this PPT today and concentrate on how we use was and were. You probably use them correctly without thinking about it, but this will help you understand why. Then complete the was/were worksheet and add your own sentences..</p>	
<p>Date: Wednesday 3rd June 2020 Affirmation of the day: I can share.</p>		
Maths	<p>Our learning objective today is to subtract fractions. Please go to the White Rose website on: https://whiterosemaths.com/homelearning/year-4/ and look at week 6, lesson 2. The questions and answers were attached to the maths email.</p>	<p>A booklet for today and tomorrow that will help to remind you how to express remainders as fractions and go on to solve real life problems - because fractions don't always make sense.</p>
SPAG	<p>Take another look at yesterday's PPT but concentrate this time on the use of tenses. When you done this – sorry – when you have done this, have a look at the verb tenses worksheet.</p>	
<p>Date: Thursday 4th June 2020 Affirmation of the day: I am willing.</p>		
Maths	<p>Our learning objective today is to find fractions of quantities. Please go to the White Rose website on: https://whiterosemaths.com/homelearning/year-4/ and look at week 6, lesson 3. The questions and answers were attached to the maths email.</p>	<p>Keep going with yesterday's booklet. Remember to read the snippets of information to remind you how to approach the calculations.</p>
SPAG	<p>Having had an opportunity to look at standard English and verbs, try your hand at this quick assessment and correction activity.</p>	
<p>Date: Friday 5th June 2020 Affirmation of the day: I am eager.</p>		
Maths	<p>Our learning objective today is to calculate quantities. Please go to the White Rose website on: https://whiterosemaths.com/homelearning/year-4/ and look at week 6, lesson 4.</p>	<p>We missed Monday this week as we had INSET, so all the days have shuffled down one which means we've still got the Friday Challenge for today. Use this as</p>

Nettlebed Community School
