Key points to remember:

- The school office must be informed everyday if a child is unwell before 8.50 via phone or email.
- The school is unable to authorise any absences except in extenuating circumstances. Leave of absence forms are available at reception and must be completed should a child's absence not be due to illness.
- Please try and make all routine medical appointments outside of school hours. Where this is not possible, please provide the school with a copy of the appointment letter or roof of appointment.
- The school gate closes at 8.55. Parents/Carers must then sign their children in at reception should they arrive to school at a later time.
- If you wish your child to miss PE due to an injury or low level illness, then a note must be written in their planner for the teacher.
- All School clothing and equipment must be named.
- The School office can only administer prescribed medication once a form has been completed. It is not a legal requirement for the school to give children their medication.
